

Results from Pirnmill Bridge traffic survey:

The survey was carried out by many of the Pirnmill residents taking it in turns over the 7 days and all were very keen to take part.

They also noted any incidents involving parking which restricted the view across the bridge plus any near misses involving pedestrians.

Lizzie Adam did a great job in organising it and compiling the calculations and charts.

Summary information for charts are:

Pedestrians	1113
Cyclists	325
Motor Bikes	33
Cars	1684
Tractors	35
Coach	7
Bus/Mini Bus	79
Vans	264
HGV	26
Camper Vans	42
Other	27
